

When you need to remove a small carpet spot and have just a few minutes to complete the job....

The Coastal CX-3 and CX-3H Spot Extractors offer fast, efficient cleaning of carpets, rugs and upholstery.

- Modular tanks - Lift off the yellow recovery tank and fill the 3-gallon solution tank with your mixture of extracting shampoo and water.
- The 55 psi FloJet® pump delivers extracting solution into the carpet.
- A 100 cfm vacuum motor recovers spent solution and soils.
- **Model CX-3H** includes an in-line heater for fastest extracting with 190° F hot water.
- Handle slides out for easy machine transport.
- Includes 1-1/4" x 8 ft, vacuum and solution hoses, and 3" path extraction tool.
- 20' safety power cable.
- Lift the recovery tank off the chassis and discard per facility requirements. Easiest dump and rinse.
- **Outstanding warranty!**
 5-years on molded chassis, 2-years on motor, 1-year on hoses and tools.
