

COASTAL
Chemical & Paper
SUPPLY INC.

**Proudly
 Features...**

Our **Gator Tuff** can liners are engineered to satisfy our demanding Florida customers requirements for: strength, consistency, dispensing ease, outstanding performance at a competitive price.

Gator Tuff can liners are manufactured with our specific blend of high quality, premium polyethylene resins and reprocessed resins and are 30% to 40% stronger than "standard" reprocessed resin can liners.

Gator Tuff can liners are furnished on perforated coreless rolls for ease of use.

Our tests prove that **Gator Tuff** can liners outperform the competition-**It's the solution you've been looking for.**

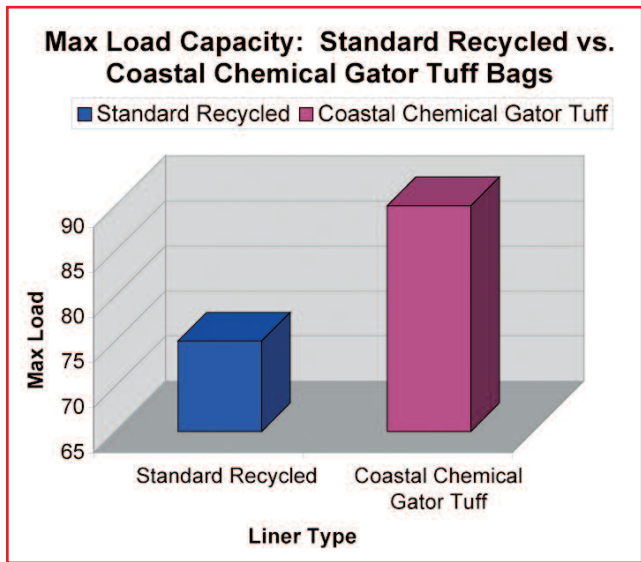

Gator Tuff can liners are an excellent alternative to the liners offered by "Big Box" retailers, warehouse clubs and home improvement stores.

We Unconditionally Guarantee the quality of our **Gator Tuff** can liners. If you're not happy with them, we will replace them or refund your purchase.
